DREAM KILLER NOT WAR FACTOR TO ESCAPE EASILY.

Examination Into Morrison's Sanity the First Step of Possible Proceedings to Hold RISE AFTER THE OPENING Him for Crime.

Prosecuting Attorney Andrews, Westchester County, this afternoon fire shed his inquiry of depositions and wit

He spent the day examining the minutes of the inquiry held by Coroner Banning and he also examined several wit

outry to-right to Chief of Police Foley but it is doubtful if an order of arrest

Andrews will apply to the

thirteen-year-old son, Ellis, furnished another strange development in the Morrison death-dream tragedy this morn-

missed the lad's bed and buried itself

Mrs. Morrison came into the room the boy says, and asked what was the

"I dreamed I saw burglars," said Mor-

Father Contradicts Son. Now comes the strangest part. The stories of father and son conflict in an

the tragedy occurred. The boy Ellis

been shot as she was if she was thank you, thank you, doctor! bushed was lying in bed. He said too an Evening World reporter:

MORRISON'S STORY AND THE FACTS.

WHAT HE SAYS.

"I was in bed; she standing up."

" I did not love my

as I loved this one." "I long wanted a divorce."

out of a holster to shoot. The ballet could not have "I went to bed at 8 o'clock." taken the course it did under A neighbor was with him till

THE FACTS.

He often threatened her life.

He had to pull his revolver

pearly 9 o'clock.

The first question he saked was what lawyer to hire to defend him.

Telltale Course of Builet.

The course taken by the builet that the house Morrison seemed more distressed about what would happen to himself than anything else. Instead of going up to her foom with the doctor, he remained down in the kitchen and asked the doctor if he thought he would be arrested and if he could tell him who was the shrewdest lawyer he could get to Marking around the room. Before she was the shrewdest lawyer he could get to Marking around the room. Before she was the shrewdest lawyer he could get to Marking around the room. Before she was the shrewdest lawyer he could get to Union Railway Company also Was the shrewdest lawyer he could get to Union Railway Company asked that the privileges of the country of the tragedy told were equivalent to New York closing figures. Copper yield firm.

Court Decides Privileges Granted to Union Railway Company asked the doctor if he thought he would be arrested and if he could tell him who was the shrewdest lawyer he could get to Marking around the room. Before she was the shrewdest lawyer he could get to Marking around the room. Before she was the shrewdest lawyer he could get to Marking around the room. Before she was the shrewdest lawyer he could get to Marking around the room. Before she was the shrewdest lawyer he could get to Marking around the room. Before she was the shrewdest lawyer he could get to Marking around the room. Before she was the shrewdest lawyer he could get to Marking around the room. Before she was the shrewdest lawyer he could get to Marking around the room. Before she was the shrewdest lawyer he could get to Marking around the room of the food of the food of the same date.

American shares in common with other departments were dull, but prices on bid were equivalent to New York closing figures. Coppers ruled firm.

The equivalent to New John Court of New John walking around the room. Before she was the shrewdest lawyer he could get peals to-day decided that the privileges

the killing was an accident.

Statement exonerating her husband, road a pr. L. W. Ferris, the first physician to told Morrison that he absolved him from act of the Morrisons' home after the all blame in the matter, Morrison

her officials of Mount Vernon that liling was an accident.

L. W. Ferris, "accepting Mrs. Morrison's statement exonerating her husband, told Morrisons that he absolved him from all blame in the matter, Morrison the Morrison could not been shot as she was if she was ing up or walking around if her ind was lying in bed. He said to an Evening World reporter:

Dr. Ferris, "accepting Mrs. Morrison's that city to lasy tracks and operate its told and legal and that the act of 182 authorizing the company to each of 182 authorizing the company to that city to grant to it special privileges was constitutional.

tarket to-day was uninteresting. The

mount of stock that changed hands

More purchases of C., C., C. & St. L. ately acquired by the Vanderbiits, were made by apparently good interests. Brooklyn Rapid Transit moved up 3 points, but Manhattan made only a

fractional gain. The industrial list was strong all round, excepting Pressed Steel. Sugar gained 2 points. Feleral Steel, American Steel and Wire and Tobacco a point each. In the railroads nothing particular was accomplished. The Grangers were flat and the Pacifics irregular, only to the extent of small fractions though. Louisville and Reading 1st preferred advanced fractionally.

fractionally.

Except in isolated instances the general tendency during the second hour was sluggishly downward. New York Airbrake jumped 19 1-2 to 137 1-2. The bond market was easier in tone, but almost lifeless.

The buying was almost suspended the afternoon, and even the light of ferings on the market could only be so at concessions. The specialties we most affected, but declines in a numb

of railfoads were more than a poi from the best.

The pressure against the market be came more acute late in the day at forced Sugar, American Tobacco at Continental Tobacco down sever points. Standard issues, particular the Grangers, Louisville, New Yo-Central and Union Pacific, also yield

The prominent railroad stocks were mostly largely sold. New York Central, Cleveland, C., C. & St. Louis and St. Paul feli 2 to 23-4 under last night's price. Sugar, Reading arst preferred, Tobacco and the local traction stocks lost 2 to 5.

Some stop loss orders were dislodged by the decline, but no important volume of selling was in evidence. Some stocks raillied a fraction, but others continued downward.

Continued downward.

The closing was unsettled and irregular at large losses throughout.

The total sales of stocks to-day were 379,429 shares and of bonds \$1,227,000 par value.
